Good Morning Tim-

Attached to this email is an electronic version of the fully executed CAFO between EPA and ITD. A hardcopy is in the mail to Sue Sullivan. Please note that the effective date of the CAFO is June 18, 2014. Pursuant to the terms of the CAFO, payment of the penalty is due within 30 days of the effective date. I believe we have worked out all the issues regarding the check, but if you have any additional questions please let me know.

Thanks,  
Kris
